Xerox Wide Format

Epson Stylus Pro 7880 / 9880

Superior black & white and colour printing

Epson UltraChrome K3

Take larger format printing to new levels of quality, stability and consistency. Discover Epson UltraChrome™ K3 ink with Vivid Magenta technology, and combine superb results with improved productivity.

Produce superb neutral black & white images and truly outstanding colour reproduction from one printer. Set new standards with Epson UltraChrome K3 ink with Vivid Magenta technology, three blacks and enhanced image processing technology.

This printer creates results that satisfy the exacting demands of the proofing, photography and fine art markets. It enhances productivity with new printer drivers, simple operation and a wide media choice.

Whatever your choice of media, our Epson UltraChrome K3 inks will deliver high quality prints that look superb in any lighting conditions, every time. And with excellent colour stability and outstanding durability, you will get results that look great for years to come.

Our Epson UltraChrome K3, 8-colour ink set, with interchangeable Photo and Matte Black inks, has also been designed for ease of use, giving fast, reliable and cost-effective printing.

3 black inks for retention of superb detail in highlights and shadows
Superb grey balance and tonal gradation for black & white or colour
Rapid image stability in less than an hour and longevity up to 75 years in colour and over 100 years in black & white
Excellent colour accuracy and repeatability
Outstanding black & white, duotone and sepia printing
Extremely wide colour gamut covering Euroscale and high DMax of 2.3

Epson Stylus Pro 7880 / 9880

Set new standards in your large format photographic and fine art printing and proofing with the 44" Epson Stylus Pro 9880 and 24" Epson Stylus Pro 7880. Get unrivalled quality and long-lasting results in monochrome and colour whatever media you use, thanks to Epson's Micro Piezo™ print head technology and the latest 8-colour Epson UltraChrome K3 inks.

Key benefits

- Consistent, professional black & white quality from Epson UltraChrome K3 inks and Epson Micro Piezo™ print head technology
- Accurate colour every time with Epson UltraChrome K3 8-colour ink set
- Versatile media handling up to B0+ (Epson Stylus Pro 9880) or A1 (Epson Stylus Pro 7880) with manual sheet feed and roll feed
- Optimise print quality for the media used with interchangeable Matte or Photo Black inks
- Easy to configure black inks with white glove cartridge changing in just 12 minutes
- Output edge-to-edge on a wide range of media
- Easy to set up, use and maintain
- Lightfast images up to 75 years in colour and over 100 years in black & white
- Flexible connectivity with USB 2.0, IEEE 1394 (FireWire) and 10/100 Ethernet interface
- Competitive cost of ownership
